DEDICATION

To Coach Weldon Bailey Chapman, coach of the Westerners for seven years, we dedicate The 1939 *Westerner. For twelve years he has been coaching football, and this year coached the team that went to the state finals. He is a favorite among students and is beloved by all whom he has coached. When he isn't coaching, Mr. Chapman likes to hunt. He never seems to hurry—yet he gets more done than most of us.*

Front Entrance to Senior High . . . .

Senior High building, pictured above, is haunted with happy memories of another school year, that of 1938 and 1939. Since its erection in 1930 at a cost of $650,000, this building has been in constant use. Increasing every year, the number of students guided by fifty-six faculty members this year was approximately thirteen hundred. In future years, the school may grow larger, but it actually will not be very different from that of the past year, for it will continue to house true Westerners who engage in numerous activities which will train them for useful citizenship.

. . . . The Trophy Case

Pictured above are the fifty-six trophies which are kept in Senior High's trophy case at the main entrance to the building. These trophies are representative of the successful efforts of those students who have engaged in school activities throughout the years of Senior High's growth. As one enters the door, the case catches the eye before anything else. Those who examine the case closer may see that football, track, basketball, golf, tennis, debate, drama, speech, declamation, band, and orchestra—all are well represented in plaques, figures, and cups, large and small.

It is not merely a case of old trophies, but a collection of the successes of Lubbock High School's students who have been the leaders, the hard workers, and the just deservers.

Time to Mr. Raymond W. Matthews is very precious, for, during his time, he must attend to the needs of over twelve hundred students. This he does efficiently by having his work well organized and seeing that everything is run on a clock-like schedule.

Mr. Matthews has been principal of Senior High School for the past thirteen years, having taken over this position in 1926.

He received his B. A. degree from Southern Methodist University, and his M. A. degree from Texas Technological College. He also attended Texas Christian University.

ALL WESTERNER GIRL

Roberta Ellison

Envied for her charm and graciousness, Roberta is liked and admired by all who know her. From over one hundred and fifty girls, she was chosen by faculty members for this honor. She is outstandingly talented in dramatics, proved by her commendable performances in the '38 Junior Play and the '39 Senior Play. She is also an active member of the Girl Reserves and Mary Emma Club. Unlike most modern girls, she is studying to be a homemaker.

James Gerald, "Nigger" Nash, as students know him, is the proud possessor of the title "All State Tackle," a member of the National Honor Society, and Quill and Scroll. Faculty members elected Jerry to this highest honor for which a senior is eligible.

FAVORITE SENIOR GIRL

Betty Jean Jones

Lovely, lovable, and always has a ready smile for everyone. She is one of the most popular students of the entire school, an honor student, the favorite Junior and Sophomore, secretary of the student council, and one of the peppiest of pep leaders. Betty likes sports and is a loyal Westerner. She is very talented in music and dramatics, having had a leading role in the Senior play. She's truly everybody's friend!

Jumbo
Walter Webster

FAVORITE SENIOR BOY

Walter Webster

Sports writers throughout the state dubbed him "Wild Walter Webster", but he's just "Jumbo" to the students. He was captain of the 1938 Westerners and unanimously received the honor of All-State fullback. From his apparent unconcerned appearance, one would never guess that he is intensely interested in mechanics and hopes someday to become an engineer. His popularity with the students has been constant as he was vice-president of both his Junior and Senior classes.

One More Time!

CLASS OF 1940

OFFICERS

The Junior Class, under the leadership of Leete Jackson and Betty Rhea Caldwell, has completed one of its most successful years. In May the Junior day was held and the crowning of the Junior Queen took place. The classes' other activity is the production of the Junior Play.

Pictured below are the vice-presidents of the class. Seated: Cleveland Cobb, Marian Manning, and Bernice Keeton. Standing: Otho Lane, Bill Coker, Helen Smith, Betty O'Mara, and Mary Ann Stephenson.

1. Brady just helping Marian across the street. 2. Marjorie and Voncille going to school. 3. William is just showing off. 4. Joe and Albert watching the birdie. 5. Max, trying to be an upper classman. 6. Kenneth, in a rare mood. 7. Bedford looks mad. 8. No gossiping, please, girls. 9. How often we've seen Anne and Prentice like this. 11. Sophisticated Dot. 12. Henry, Sammy and the boys gaping. 13. Some people get anywhere to have their picture made. 15. Orville, Joseph, and "Tooter" having fun. 16. Billie getting primped up. 17. Paul 'got along very well' on crutches.

WE HONOR . . . .

Carol Claiborne

Because he gets such a kick out of life. He not only enjoys everything; he helps those around him to feel the same way. He's in the Boy's Glee Club and was president of the Golf Club the first semester.

Leon Hughes

Because he likes to be helpful. The Westerner World owns him as Advertising Manager, and he loves his work His future in whatever line he chooses will probably be very successful.

Bernice Keeton

Because she is so levelheaded. It seems that Bernice has an uncanny knack for always doing the right thing. She's a member of the National Honor Society and the Student Council.

James Merriman

Because he is so versatile and determined. Last year he carried a paper route, went out for football, and made straight A's. He played enough football this year to letter, even after suffering a broken collarbone.

Betty O'Mara

Because of her e
ready smile. She i

A. B. Sansom

Because he is so helpful. He is a member of the National Honor Society, and, as a member of the debate team, he showed promise of becoming an excellent speaker.

Patricia Selby

Because she is so well liked by students and teachers. She is a small dark brunette, full of energy and vitality. She is an honor student and finds time to play the piano and viola.

Mary Ann Stephenson

Because of her sense of humor. She is a beautiful blond and is a member of the Student Council. Her poise and charm go toward making her personality outstanding.

Mr. Floyd Honey

Because of his excellent posture. He is Commercial Coordinator and takes his job seriously. If everyone in Lubbock High would follow Mr. Honey's posture example students would grow up to be a lot better looking.

Mrs. T. A. Rog

Because of her ch

FAVORITE JUNIOR

Leete Jackson

He's five feet nine and blonde. This Westerner backfield star lettered when he was a sophomore, and this year, as a Junior he thrilled the grandstands more than often. He was president of the Junior Class and is Co-Captain of the 1939 Westerner squad. His chief pastime is clowning, but in serious moments he dreams of coaching football like Coach Chapman.

The Beginning of Time

CLASS OF 1941

OFFICERS

President ..... Max Walthall
Secretary ..... Betty Ann McAfee
Vice-presidents ..... Ruth Gray, Mary Lou Scoggin, Sylva Wheelock, Mary Lu Jobson, Bill Andrews, L. A. Storrs, Howard Alford, and Bill Kennedy.

The Sophomore class of '39 has been trying to increase its fellow members interest in their school. The class had done exceedingly well by the end of the school term. The students were really beginning to feel that they were a part of Lubbock High school. A picnic in the spring was one of the activities sponsored by the class this year.

Sponsors of the class were: Mrs. Ross Ayers, head sponsor; Miss Ruby Atwood, Miss Amelia Hargis, Miss Kathleen Ingram, Kline Nall, E. M. Barnett, Jno. R. Freeman, and Carl Bailey.

1. Watch the birdie, Frank . . . 2. Looks as though Jane will be kept busy . . . 3. Hurry Joyce, you'll be late . . . 4. Go ahead and jump, Ruby Lee, it's Otho . . .5. Bernice giving us one of her flashing smiles . . . 6. What's the matter Maurice, got a flat . . . 7. Don't be alarmed, Mary Helen, it's just us . . . 8. Why Junius, we thought you were a lowly Junior . . . 9. It's bad etiquette to look over someone's shoulder Amarie . . . 10. Surely we don't look as bad as that, Ruth . . . 11. Marie pacifys Johnnie . . . 12 Come, Max, let the little guy alone . . . 13. Hi there, Durwood . . . 14. Why Clark, have you been studying . . . 15. Enjoying it, Fred . . . 16. Marjorie has that animated look . . . 17. My, how studious you look, Kyle . . . 18. Frank with his thoroughbred . . . 19. Don't look so sour, 'Cile . . . 20. How important you look, Billy.

FAVORITE SOPHOMORE

Ruth Gray

Sweet and admirable, Ruth is everybody's friend. She is a member of the Student Council and Sophomore editor of the yearbook. Her curly black hair is her outstanding characteristic, but her smile and cheery "hello" make her likeable.

. . . . WE HONOR

rancis Bearden

ecause he is so un-ming. He simply quietly along mind-his own business, incidentally, he is of the most favor-prospects for the Westerner squad.

Betty Ann McAfee

Because she is nothing short of vivacious. She was prominent in her class, being elected Sophomore secretary, but her friends extend throughout all classes.

Carolyn Reynolds

Because she is a friend to everybody. She is very talented in music, being a member of the orchestra. Her charming poise and beautiful blond hair go to make up a delightful personality.

Mary Lou Scoggin

Because she is admirably independent. She was a Sophomore vice-president, and her beauty and pep is widely known.

Buddy Sprague

Because he's so adaptable. Although he moved to Lubbock from Parkersburgh, W. Va., a total stranger, it wasn't long until we knew of him. He's quite talented in dramatics.

Billy Tucker

ecause he makes ev-body have a good e. When he takes solo in "Peruna," he es one and all fair-ilarious. He's small, can he play!

Max Walthall

Because he tries so hard at everything he starts. He was president of the Sophomore class and captain of the Cowhand squad. His boyish grin is the key to everybody's heart.

Sylva Wheelock

Because she is so agreeable. Early this fall she was selected as one of the cheer leaders and did a grand job. She's a member of the Student Council and a swell sport, too.

Walker Nichols

Because he's the best sport ever. He rules over his Cowhands with an iron hand, but they love it. As well-liked as he is, he never seems to realize his wide popularity.

Mrs. Ruby Payne

Because she is such a delightful person with whom to be associated. When she isn't busy instructing future homemakers, Mrs. Payne likes to knit, paint, take pictures, and above all, plan things for her small son.

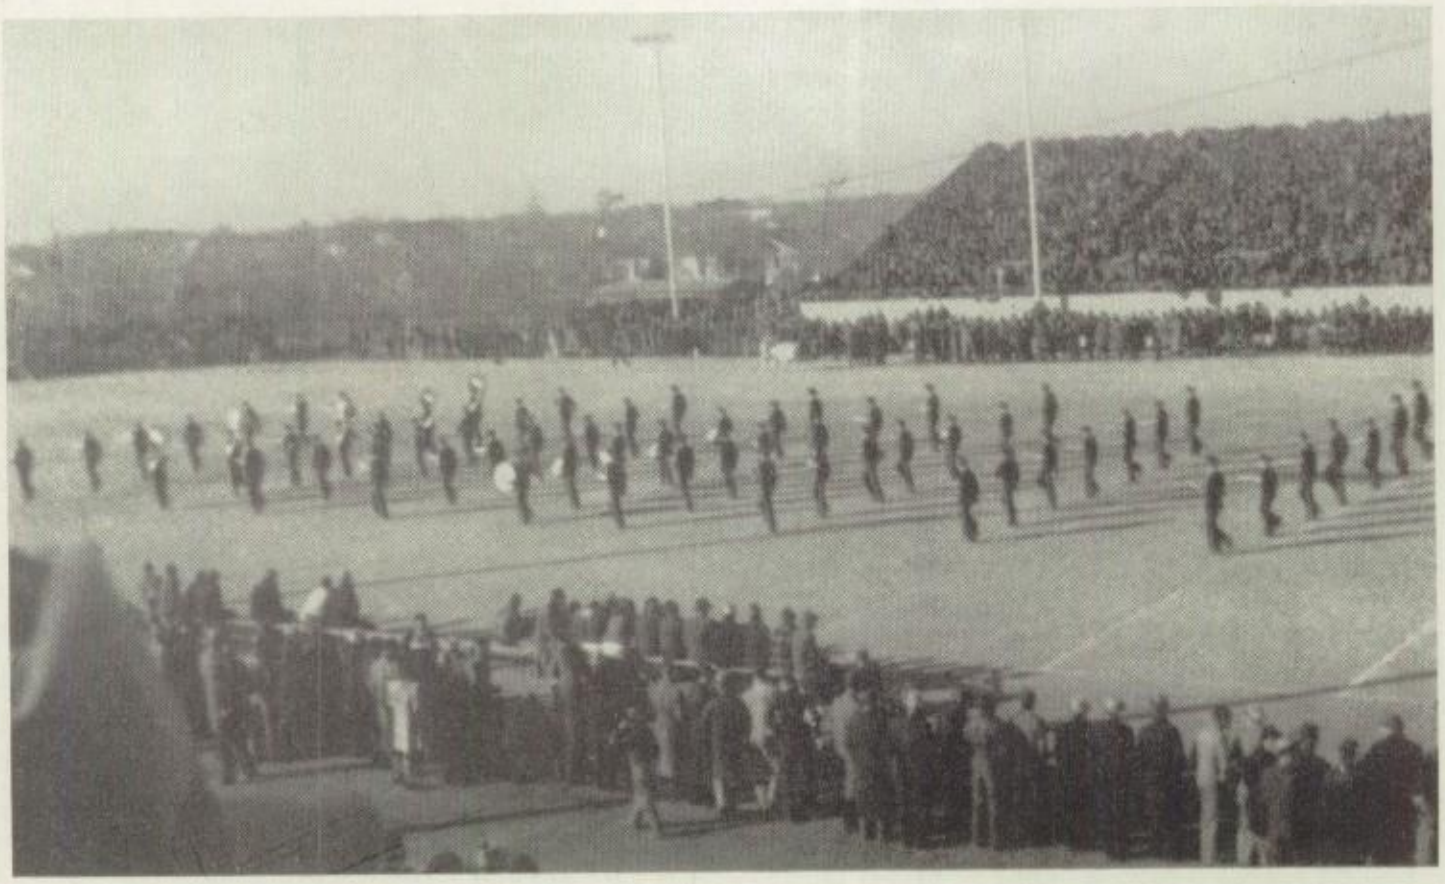
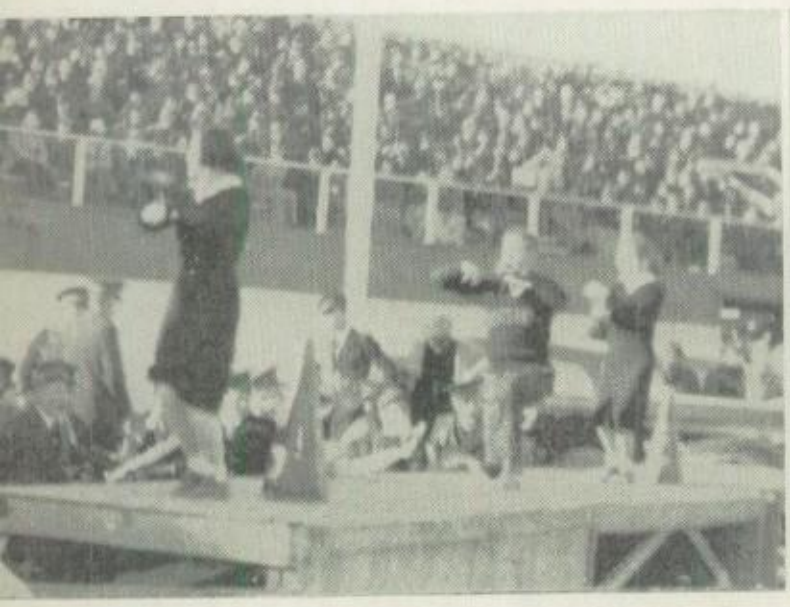
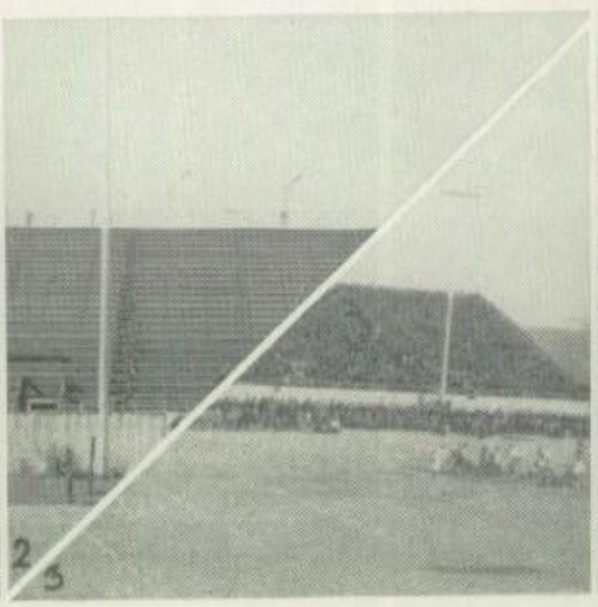
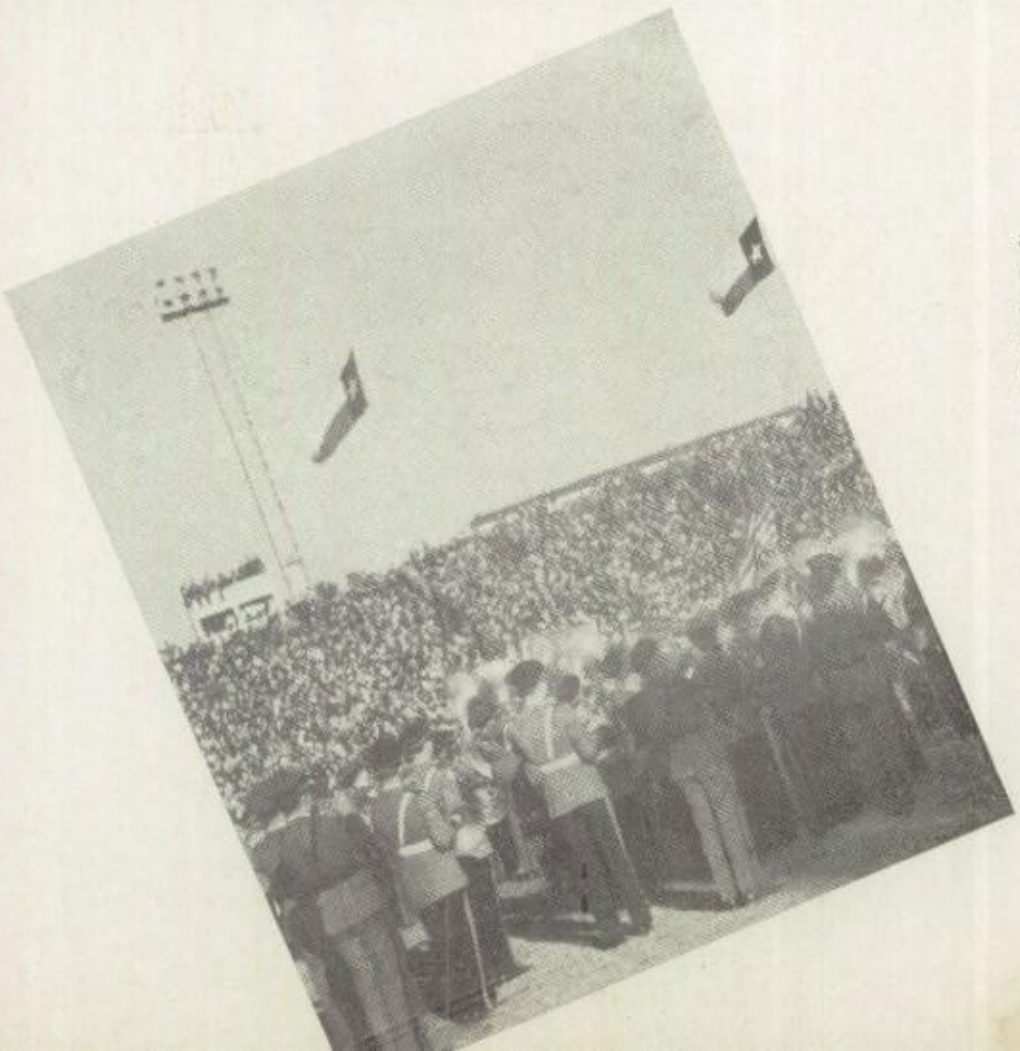
Westerner Band And Pep Leaders Add To Football Thrills



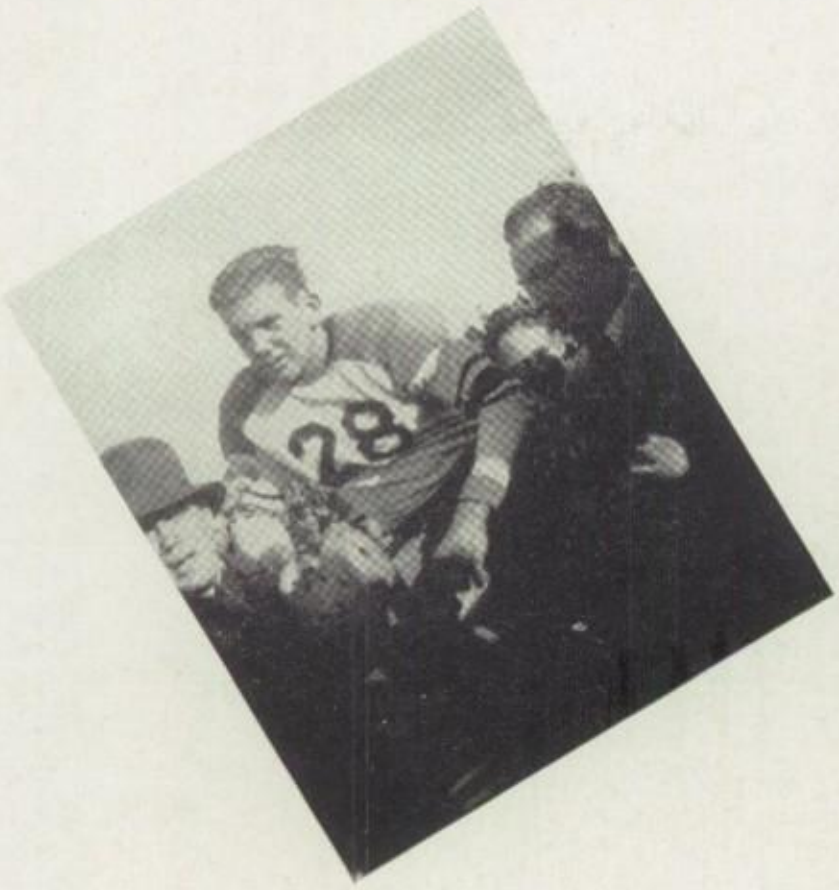




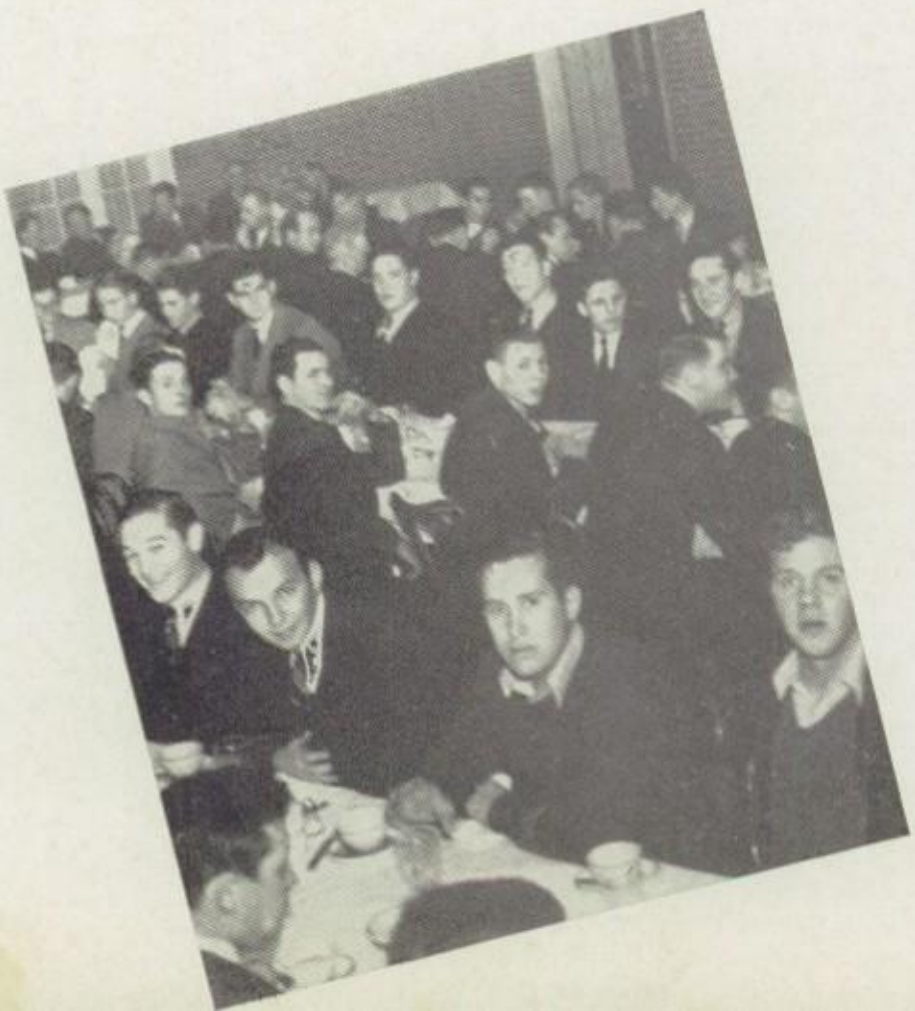


Crying to see thrills galore, the fans like (4) Billye and (5) ardent Sandy supporters, filled (2 and 3) an empty stadium to watch the (top) Westerner band show-off and see the Westerners, pepped up by (1) students and pep leaders, beat the Sandies, then go on to play for the state championship in the Cotton Bowl where (bottom) the band boys are serenading the spectators.

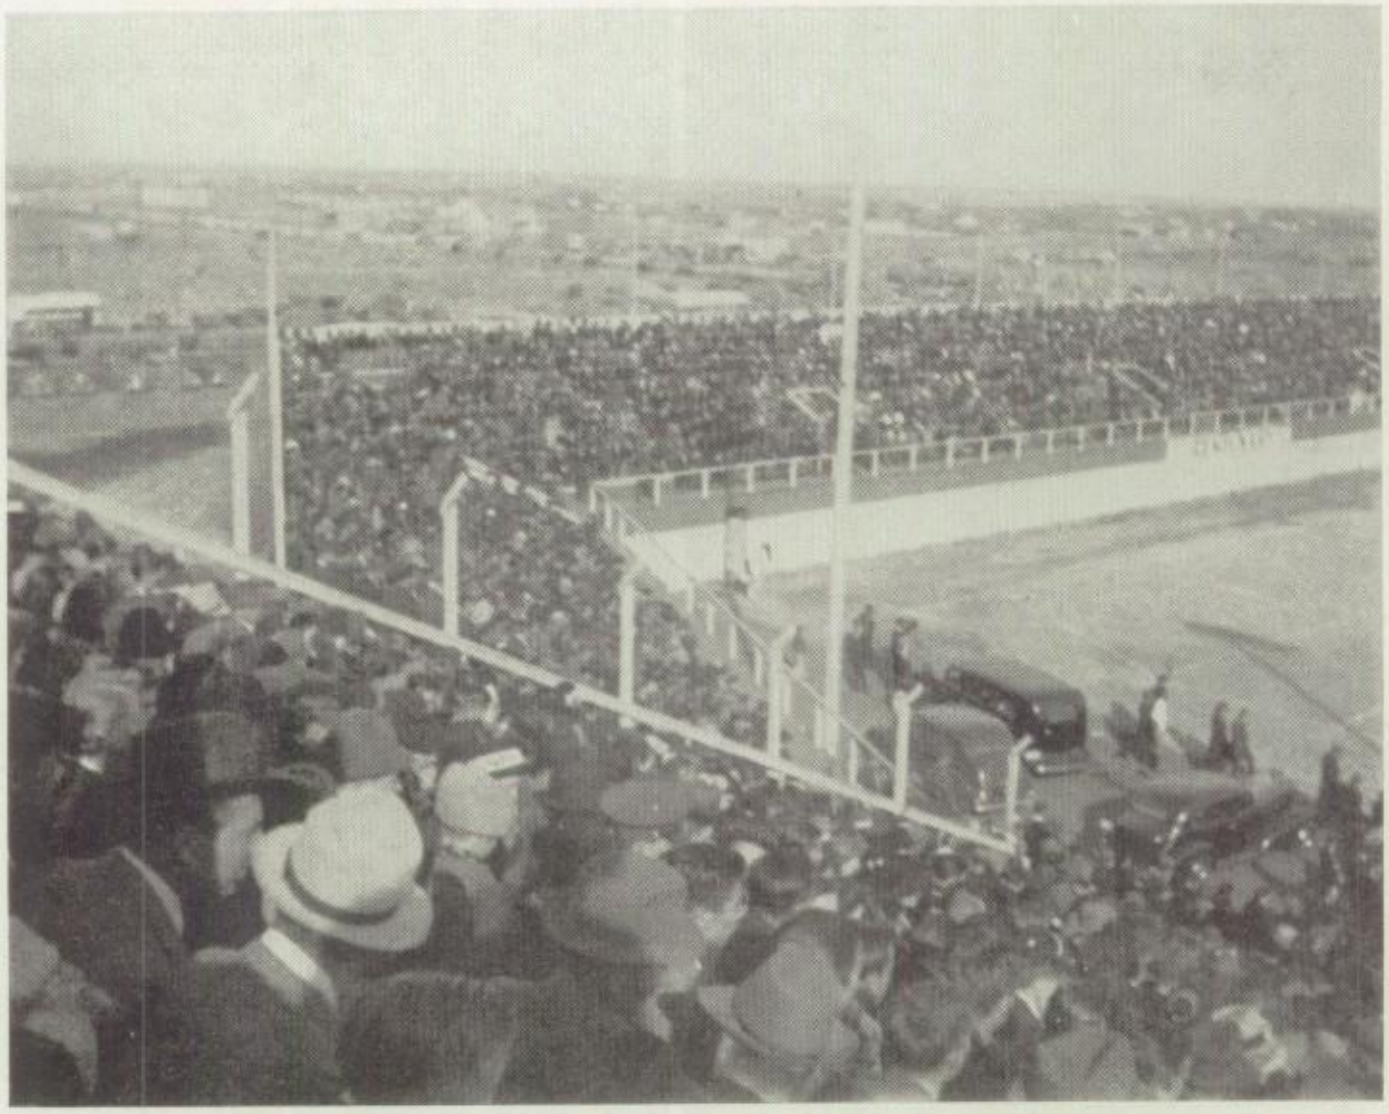
Westerners And Fans Withstand Sandys' Invasion



Watched by the (3) Sandy footballers in windows of a local hotel, the (1) Lubbock Bandsters and (2) Amarillo tooters led the parade of fans to Tech field. Here the (4 and 5) local enthusiasts joyfully watched the (top right) Bronc-Busters outscore a fighting Sandy team. For this victory (top left) Leete is carried off the field of triumph and (bottom) the Westerners received gold footballs from happy and proud supporters at the annual football banquet.



Westerner And Sandy Fans Support Their Teams



To see the grand finale of West Texas football, the (Bottom) Amarillo supporters, brought by a special train, Westerner backers, and football lovers from all over the country (top) jammed Texas Tech's stadium to an over-capacity crowd of 18,000 persons. On that beautiful Turkey Day afternoon, the spectators witnessed one of the best battles ever waged for a district football crown as the Westerners beat the Sandies 29 to 19.

Westerner Pepper-Uppers

Much of Lubbock's success on the football turf last year was due to fine support of the student body and fans. The job of pepping up the students and fans fell to Ben Alexander, Betty Jean Jones, Charles Hvass, Sylva Wheelock, Marvin McLarty, and Helen Jarrott. These leaders had a never dying spirit and kept the student body of 1,000 voices yelling and pulling for the eleven men on the field—from whistle to gun, from early September until late December.

Westerner Fans Invade Pampa

Greeted by the (top) Harvester band, the (1, 2, and 3) Westerner fans arrived in Pampa for the Armistice day battle between the Bronc-Busters and Harvesters. At the field of battle, the (4 and 6) Lubbockites watched the (9 and 10) Westerners slip a cog in the Harvesters machinery and win a 6-0 victory. At half-time the spectators were entertained by (5) a well-drilled Lubbock band, by (7) a snappy feminine drum corp, and by the (8) Pampa Pep squad.

Pampa Beaten 6 to 0

On November 11, the Bronc-Busters attacked the Pampa Harvesters on the Pampa field. The Westerners found a stubborn line opposing them when they threatened to score, but in the third quarter, the Chap-men slipped the Harvester defense and scored a touchdown for a 6 to 0 victory.

Westerners Smother Bulldogs Growl 67 to 13

Opening their conference, the Westerners engaged the Borger Bulldogs on the Tech gridiron October 21. The Chap-men attacked the Bulldogs with the fight and fire of a wild mustang and vested the championship hopes of Borger with a 67 to 13 score.

Westerners Hit Long Stride In Mid-Season

Mid-season found Lubbock playing Lamesa, Borger, Vernon, and Plainview. Westerner fans (1 and 2) followed the footballers to Lamesa where they were entertained by (3) Lamesa's band. (6) Mr. Matthews and Mr. Lowrey watch the (4) Chap-men swamp the Golden Tornado as well as the (5) fans who flock through the gates at Lamesa's field. In the Vernon game (7) a Westerner ropes a Lion, and in the (8) Plainview tussle, a Bulldog wrestles with Rusty.

Student fans slept, laughed, sang, and yelled for their team to and from all out of town games.

Bronc-Busters Capture 6 to 0 Win Over Plainview

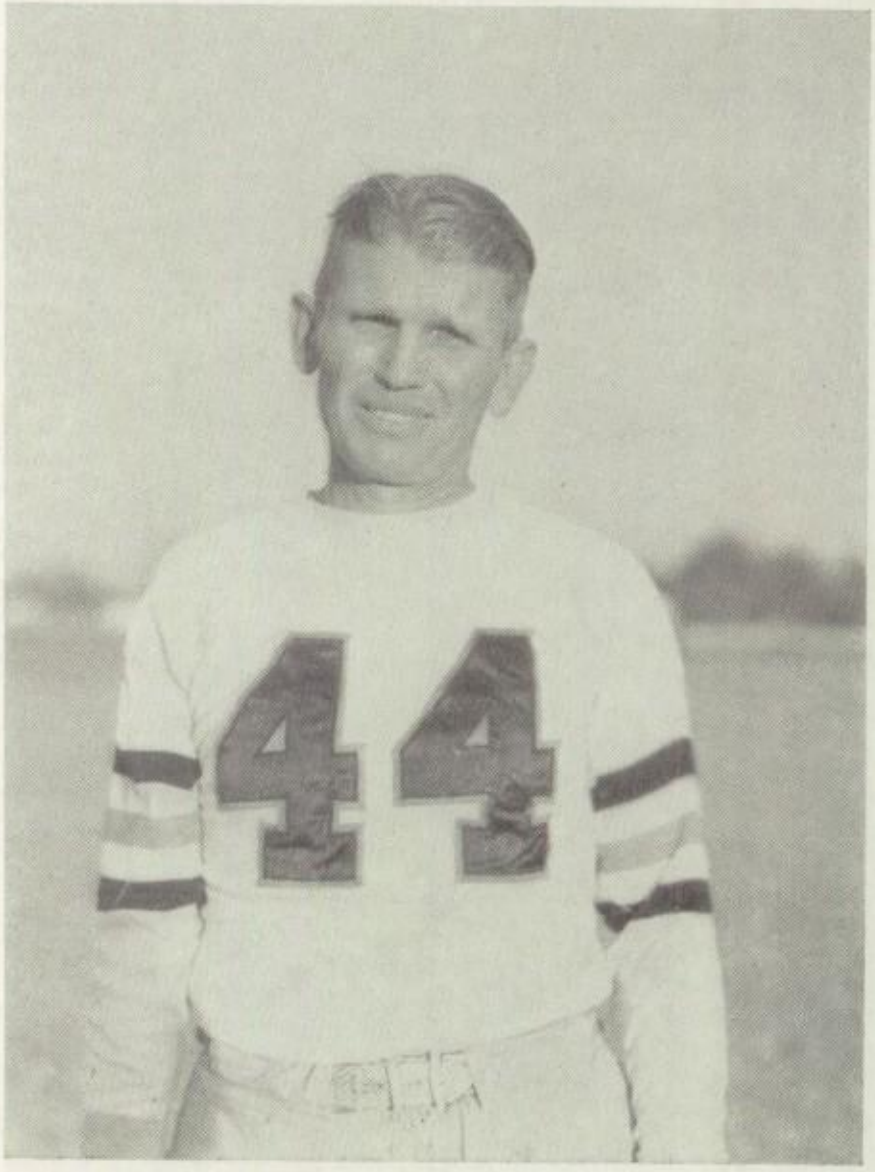
On October 28, Plainview's great eleven proved to be a tough obstacle in the Westerners' march for the District crown. Plainview had one of the best lines in district competition, but the Bronc-Busters kept pounding and finally broke through to score a touchdown.

Lamesa's Golden Tornado Blows No Ill Wind

Lubbock, keeping up its thrilling victory drive, trounced the Golden Tornado of Lamesa on the Lamesans' battleground on November 4. Withstanding all ill-winds of the Tornado, the Westerners went to town with their offense to blow-up the Lamesans, 14-0.

Westerner Coaches . . .

Head Coach Weldon B. Chapman . . . He lives in every football boy's heart as a loveable figure of admiration. He places in them a ceaseless courage and never ending fight that brings home the victories . . . . He not only teaches the boys how to play the game but teaches them to play it fair, true to the Westerner motto "Sportsmanship, then Victory."



Supporting Coach Chapman in his work of building fine Westerner teams are the young gentlemen to the left, Coach J. G. "Goober" Keyes, and Walker "Nick" Nichols. The coaches possess all of the necessary fine qualities which make them a living example of the good traits they teach.

These coaches teach all boys fairness in play, how to build up their bodies, and how to attain the courage to fight for the better things in life.

Westerner Football

Resume of Season

Time that elapsed from last September 1st to December 26th was the most successful football time ever ticked away in Lubbock High's history. The Westerners played thirteen games, won eleven, lost two, and scored 251 points, while their opponents chalked up 92. The Bronc-Busters won the district championship by crushing Amarillo 29-19. Then, the Chap-men scored three more victories, gaining the right to vie for state championship which they lost to the Corpus Christi Bucs 20-6.

Westerner's Warm-Up Games

Steers Defeated, 7 to 6

Opening what was to be the most successful season in their history, The Westerners took on the North Side Steers of Fort Worth on September 16th in the big Cowtown. After the Steers had scored six points, the Chap-men displayed their true fight, tallied seven points to win their opening battle, 7 to 6.

Redskins Scalp Chap-men, 14 to 13

With a hoop and a holler, the Westerners invaded the camp of the Oklahoma City's Capitol Hill Redskins on September 30th. Here in the Redskins hunting ground, the Lubbockities suffered the only defeat in their regular 1938 season. The Redskins slipped through the Westerner defense, scored two touchdowns in the second half and nipped the Locals, 14 to 13.

Westerners Pick Eagle's Feathers, 14 to 0

To settle a six year deadlock, Abilene's Eagles met The Westerners on Tech's gridiron, September 23rd. The Eagles came out of the tussle holding the short end of the score as the Local lads turned on the steam and picked the Eagle's feathers with a 14 to 0 defeat.

Bronc-Busters Tame Vernon Lions, 7 to 0

Against strong odds, the Westerners defeated the favored Vernon Lions October 14th on Tech field. Showing that they had what it took to make a championship squad, the Chap-men outfought, outplayed, and outscored the Lions 7 to 0 to win their first major victory of the season.

Westerners Win Bi-district, Quarter-Final, Semi-Final

Chap-men Annex Bi-district Crown

After having won the District crown, the Westerners met the Vernon Lions on December 2nd for a second time, but this time it was for bi-district championship, and on the Vernon battle field. Getting down to business in a hurry, the Locals started an attack that completely routed the Lions 26 to 0, and thus gained for the second time, a Bi-district cup for Lubbock High School.

Buckaroo's Beaten, 36 to 14

For quarter-final championship, the Westerners went up against the Breckenridge Buckaroos, December 7th on Tech's field. Mystified by the Buckaroo's offense in the first quarter, the Westerners let the Buck's score a touchdown. Discovering Breckenridge's defensive weakness, the Chap-men began scoring and won a 36 to 14 victory. In this game, three touchdowns were scored in the space of fifty-five seconds as Lubbock scored on a sustained drive, Breck's Hamlin took the kickoff for a score, then Jumbo Webster ran the following kickoff eighty-six yards for six points.

Westerners Win Quarter-finals, 20 to 6

Meeting the mighty, midget Masons of Masonic Home, December 14th, on the Tech turf, the Westerners, after being led for two quarters, started a scoring spree and copped the championship of North Texas with a 20 to 6 score. The Masons featured Gene Keel, a passing demon, and a strong will to fight, but these were smothered by the Westerners, who wanted to play for the state championship.

Bucs Beat Westerners 20 to 6 for State Title

In the Cotton Bowl in Dallas on December 26th, the Westerners met the Corpus Christi Bucanneers to play for the highest honor of Texas school boy football. Here on the muddy Cotton Bowl turf, the Westerners met their football Waterloo as they went up against one of the best teams produced in recent schoolboy history. The Bucs went into an early lead and were never slowed down by the West Texas boys. The Bronc-Busters in the third quarter scored their only touchdown, but this was not enough to head the Bucs as they won 20 to 6.

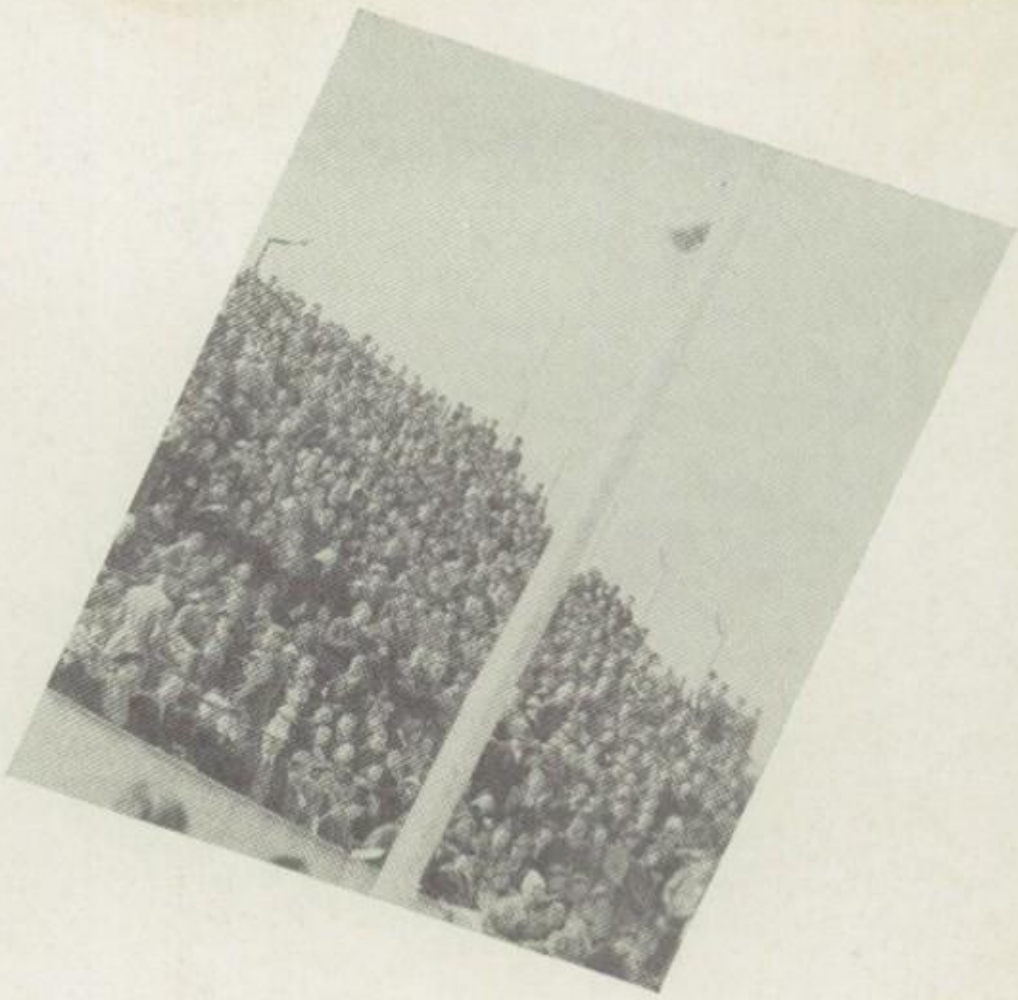
Westerners Beat Sandies

Day of days in lives of students in Amarillo and Lubbock High school is the battle between the Sandy and Westerner footballers. Last year was no exception as (center) hundreds of Amarillo fans came in on the special train, and (lower right) with the Sandy band paraded to (top right) the Texas Tech gridiron.



For the first time in seven years, the Westerners came out ahead of the Amarillo Sandies. This game was declared by many to be the best game they had ever witnessed. The fury of the battle never ceased as Lubbock led, then Amarillo, and finally a glorious victory for the Westerners with a 29 to 19 score. Lubbock received this victory with more joy than any other sports victory of the year.

Hard work, no recognition, and learning of game fundamentals are what the Cowhands receive. Under their fine coach, Walker Nichols, these lads play purely for the love of the game. Learning thoroughly what is taught, the Cowhand year is the foundation of all Westerners and these young boys are slated to be heard from in the future years as fine athletes.

Westerner Basketeers Are Fifth in Big Five

Lubbock, because of a late start in their basketball, lost the first seven games of their '39 season. All of these games were in the Big Five conference composed of Pampa, Amarillo, Borger, Plainview, and Lubbock.

Borger, Amarillo, and Pampa Trounce Lubbock

Opening the Big Five schedule with Borger, the Westerners were defeated 28 to 20. In their second game the following night, they had no better luck as they lost a close 28 to 24 decision to the Amarillo Sandies.

On their road trip to the cities in the north, the Westerners were defeated three times in three starts. Playing in Pampa first, the Keye-men were defeated 38 to 37. The Westerners were defeated 33 to 20 in their visit to Borger. Closing their road engagements, the Keye-men were swamped 26 to 13 by the Amarillo Sandies.

Harvesters Win

Lubbock was next the victim of the Pampa Harvesters on the Westerner court. Although they showed much improvement over previous games, the Westerners were helpless against the experienced Harvesters, who outscored them 16 to 21.

Westerners Beat Bulldogs

In their last Big Five game at home, the locals lost a 26 to 19 tussle with the Plainview Bulldogs. The following Friday night on the Plainview court, the Westerners won their first and only game in the Big Five conference by defeating the Bulldogs and began a winning streak that lasted for seven games.

They won no cups in the Big Five, but the Westerners kept fighting for a victory against strong odds, and as a result, the '39 basketeers were crowned district champions.

Westerners Beat Abernathy for First Win

Due to an extended football season, the Westerners had very few games that were not in district or Big Five conference.

After completing their Big Five schedule, the Keye-men took on the Abernathy Antelopes. Displaying a rejuvanated club, the Westerner basketeers looped 'em in from all angles to break a sixteen game winning streak for the Antelopes with a 30 to 17 victory.

In the last home game of the season, the Local hoop swishers were hosts to the Littlefield Wildcats. Continuing their victory push, the Westerners came out of the tussle with a 31 to 22 victory.

Westerners Win District

Although they were not given a chance to win the district meet, the Westerners upset all the dope buckets to win the gold cup.

In their first game, the local basketeers had no trouble in defeating Wellman High School 41 to 20 to advance toward the championship.

Patton Springs was the second round opponent for Lubbock. Turning on the Spring boys with full steam, the Keye-men displayed an offense and defense that boiled Patton Springs 31 to 19.

Against a fast aggregation of ball handlers, Lockney, the Westerners barely eked out a 33 to 32 decision over the lads from the northeast to go in the right for district championship.

Defeating the district champions of '38, Abernathy, was a job for the Westerners in the finals, but by fighting, hustling, and playing fine basketball, the Locals were able to bring to Lubbock High School for the first time since 1928 the highest honor of South Plains basketball.

Westerners Win District Tournament

In the district track meet, the Westerners won the trophy by amassing thirty-three and one-third points. Second place was won by Muleshoe with seventeen points and Tahoka was third with fifteen and one-third points.

This year's victory made the third straight for Coach J. G. Keyes and his Westerner speedsters, who have gained their titles through hard work and a fighting hustle.

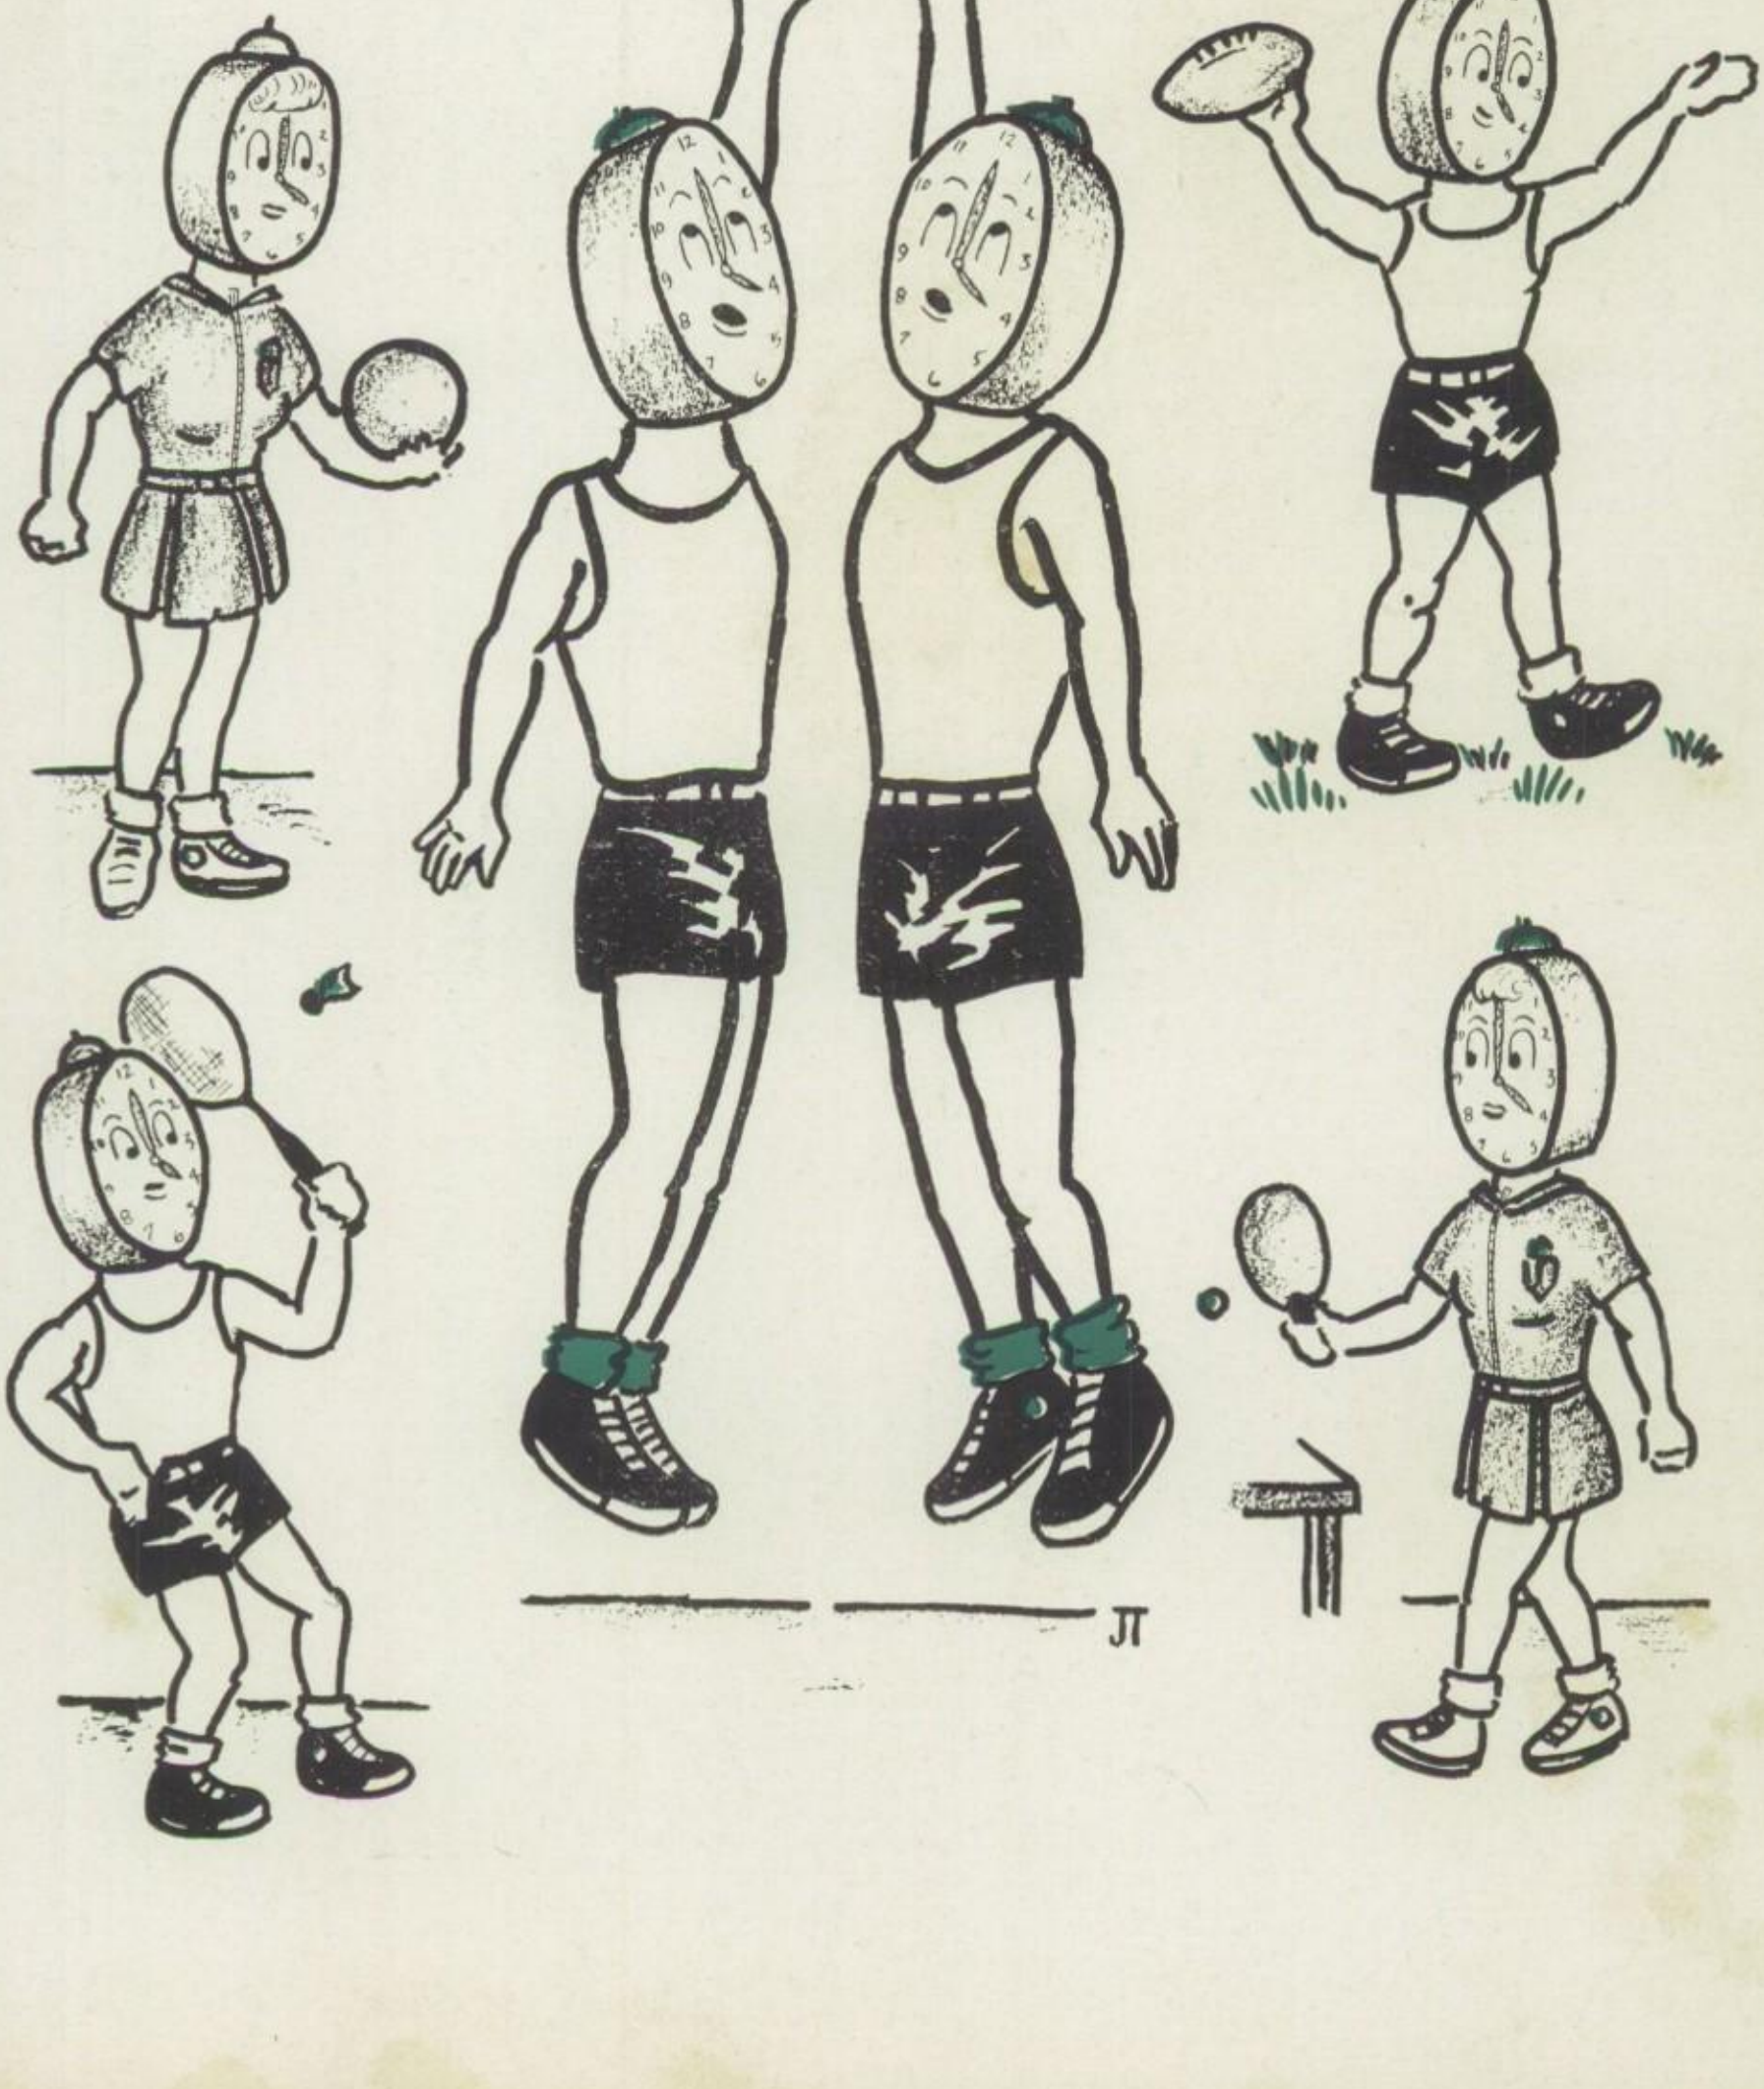
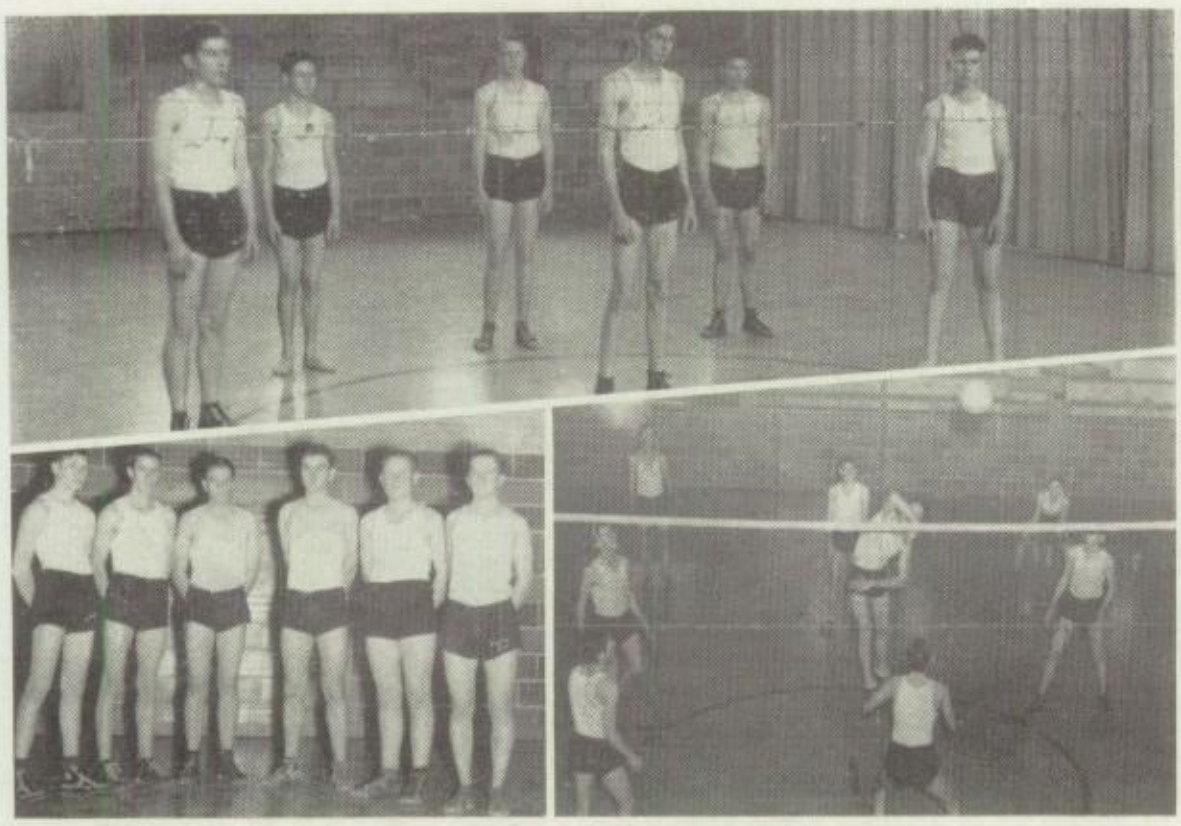
Recreation Time



Volleyball . . . .



Winners shown here are: top, lightweight champs, left to right, Hauley Graves, Olin Monk, Kenneth McCormick, Paul Nail, Otho Lane, and Charles Kuykendall; bottom, heavyweight champs, left to right, Leon McCarty, Lib Wynn, Marion Glasscock, Charles McDonald, Earl Gray, Kennedy Lyons; not pictured, Melvin Jones; bottom right, one of the tournament games in progress.

Volleyball furnishes much of the recreation for both students and teachers who enjoy free hours in the gymnasium as well as those in the physical education classes.

Here are shown winners in the annual volleyball tournaments conducted in boys and girls classes.

After practice in fundamentals the boys' classes were divided into two groups, lightweights and heavyweights. Lightweights were boys under 125 pounds and heavyweights were those over that weight. Following class tournaments winners engaged in a tournament after school in the gym, and all students were invited to witness the games.

The smiling young ladies at the right top are the members of the all-tournament team in volleyball. They represent the tops in volleyball teams in the girls' classes since they were picked from the winning teams in girls classes. They are: standing, left to right, Doris Murphy, Peggy Miller, Tommye Bee McAllister, and Frances Lee; seated, Mary Jane Payne, Pollyanna Walker, and Velma Norton.

Girls' classes spent nine weeks in the study of volleyball. Team play and enjoyment in participation with the group is emphasized in the study and playing of volleyball, one of the oldest games for group play and the basis of many newer games.

. . . . Tennis

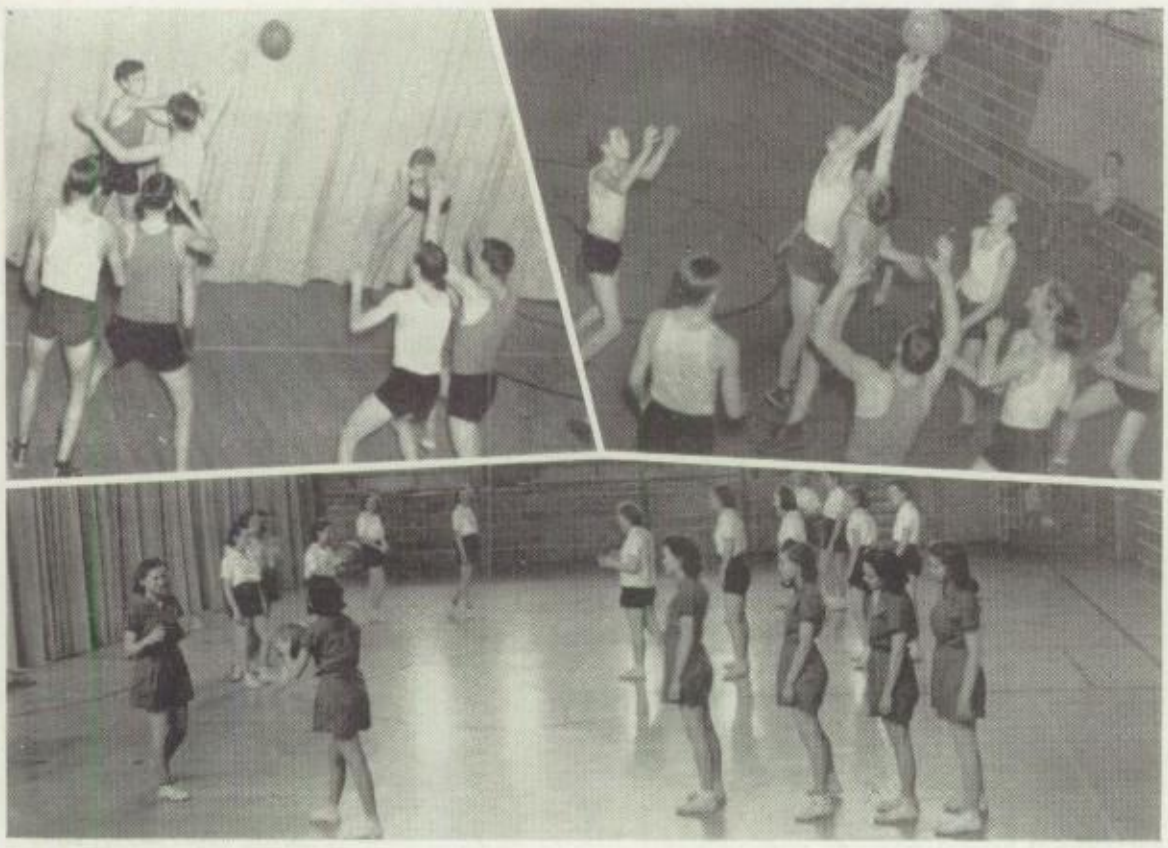
Above are three of the school's ardent tennis fans. They are: Frances Lee, Gene Perry, and Chloe Marion Swartz.

Last year tennis courts were provided for students on the recreation field across from Dupre school. In the action shots are girls who spend their time during physical education classes and after school practicing this game which is played the world over, and which offers more opportunity for recreation in later life than any other. Frances Lee, Louette Leary, and Geraldine Hines represented Lubbock in the interscholastic league.

Below at top left is C. L. Moore, tennis representative in boys singles in the interscholastic league. At bottom are Jimmie Murdough and Melvin Robertson, doubles team, which went to the semi-finals in the district meet.

The big picture at the right shows the boys who took part in two matches with the Amarillo tennis team. In the picture are: C. L. Moore, James Murdough, Lavern Curlee, Howard Gregory, Melvin Robertson, and Tom Lemond. Other boys who played in the matches were: Donald Cook, John L. Perry, and Richard Kiene.

Basketball . . . .



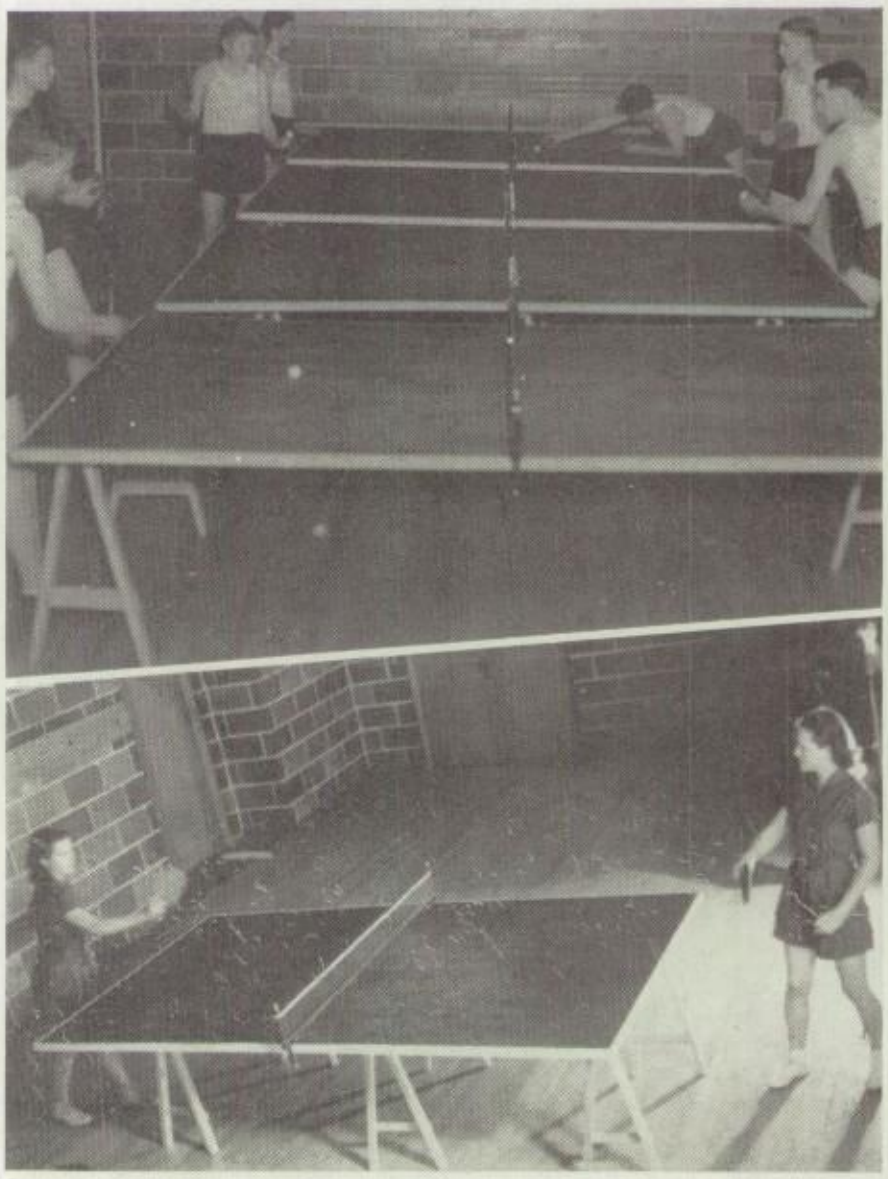
Most popular with students who take part in recreational activities each year is basketball. Students are given a thorough background in the history of the game and spend much time in learning correct methods of passing, shooting, and guarding. Opportunity to play basketball ball during the noon hour in the gymnasium was given to all students who take physicial education. These games drew much interest from the noon on-lookers.

In the pictures are: top, left, boys in a practice game; right, the toss up for the beginning of a game at noon; bottom, girls information as they practice shooting goals.

Ping Pong . . . .

The most popular part of the recreational unit is ping pong. In the last two years four ping pong tables with paddles and balls have become part of the equipment left in the gym for students to use before school, at noon, and after school.

In the picture at top right are boys who are to be seen regularly at ping pong tables practicing; at bottom are Coreen Abney and Mary Reese enjoying a game in the corrective gym above the gymnasium.



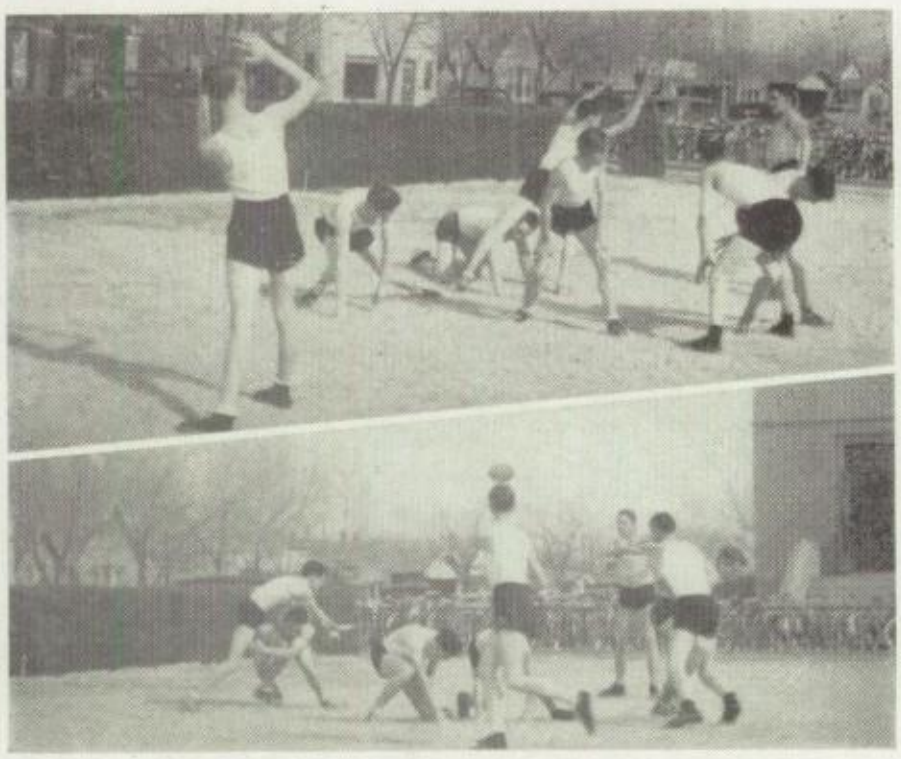
. . . . Intra-Class Basketball Champs

To be on a champion team in the intra-class basketball is an honor sought by most students who take physical education.

At top left are the lightweight champions: standing, Kenneth Lovell, Billy Goins, and Haskell Keaton; kneeling, Pierson Gordon, Albert Basinger, and Herman Wallace. At top right are the heavyweight champs: top row, Newton Weathersby, Cecil Jennings, and Pat Davidson; front row, James Cherry, Mack Elston, and Glenn Lattimore.

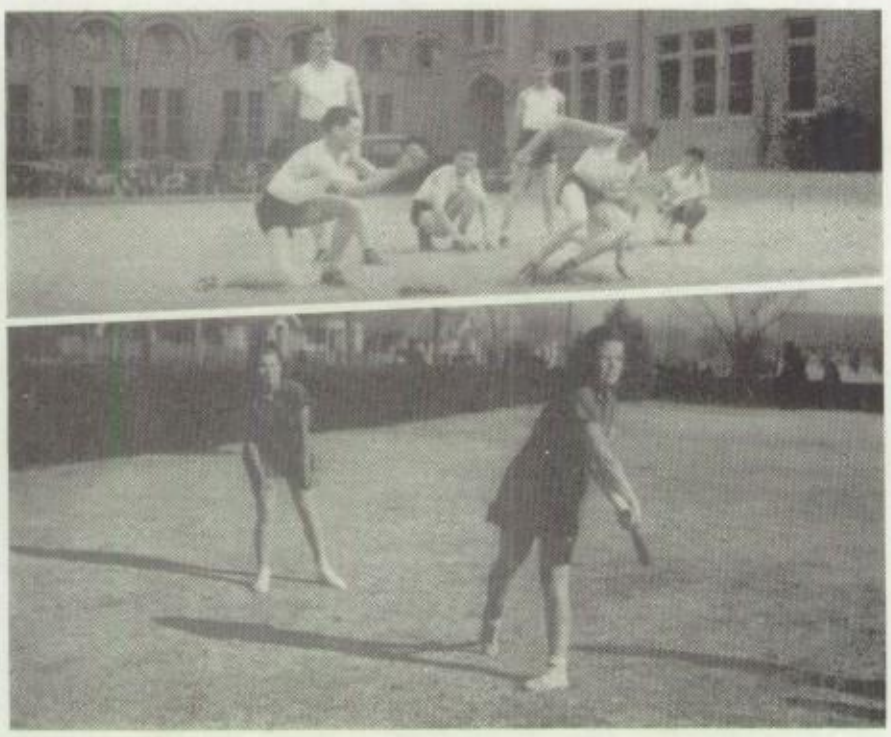
At the bottom are action pictures taken during the after school basketball tournament.

At left are the girls who were tops in the intra-class champions. Girls in the top picture are winners in the third period class who were chosen as the all around team of the tournament. They are: standing, Nina Jo Cellum, Joyce Horton, and Wilmoth King; seated, Ruth Haynes, Mae Dean Hightower, and Gene Perry, captain. Below is the championship team in action.



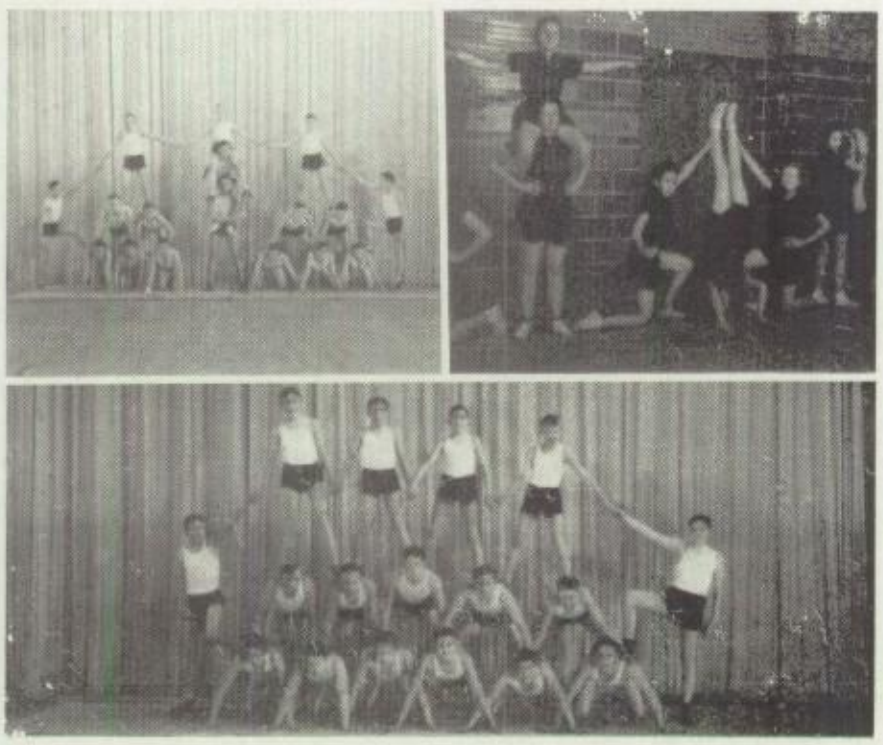
TouchBall . . . .

During football season every vacant lot is filled with boys playing touch ball. In the physical education classes the boys enjoy the game more because they study the correct methods and have a refree to see that they hold to all the rules. As in other games, the boys played this game in two divisions. Eugene Bumpass was captain of the team which won the lightweight title and Edward Haley was the leader of the heavyweight champs. At top are the lightweight winners, and at bottom are the heavyweight champs.



Baseball . . . .

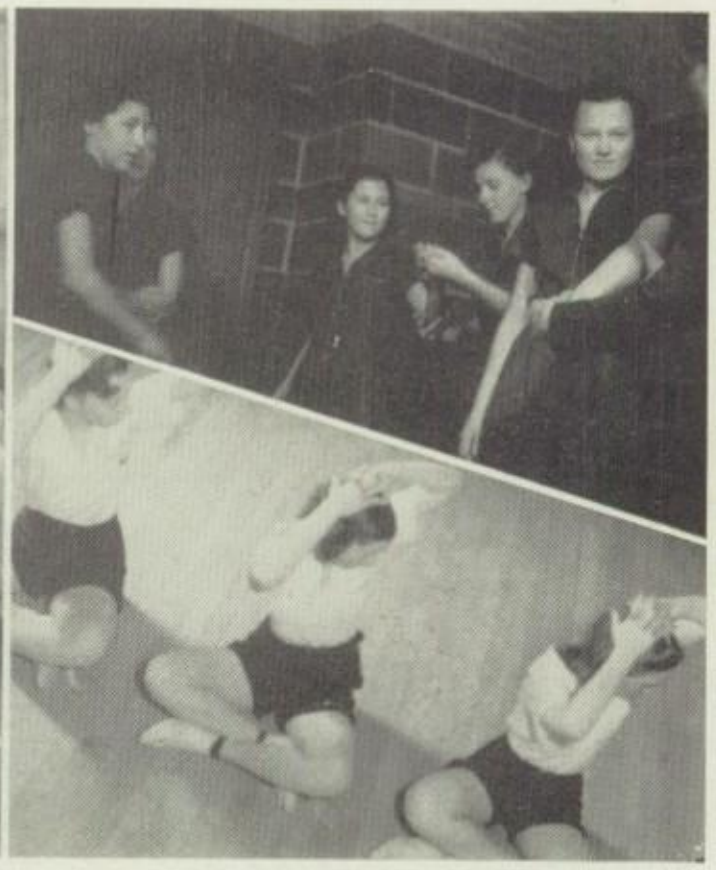
When spring arrives, baseball takes the spotlight in sports. In the double round-robin tournaments conducted in both boys and girls classes more students take part than in any other. The top picture shows home plate with the runner being put out. At bottom are Frances Blanton, catcher, and Elizabeth Balch, the batter.



Pyramid Building . . . .

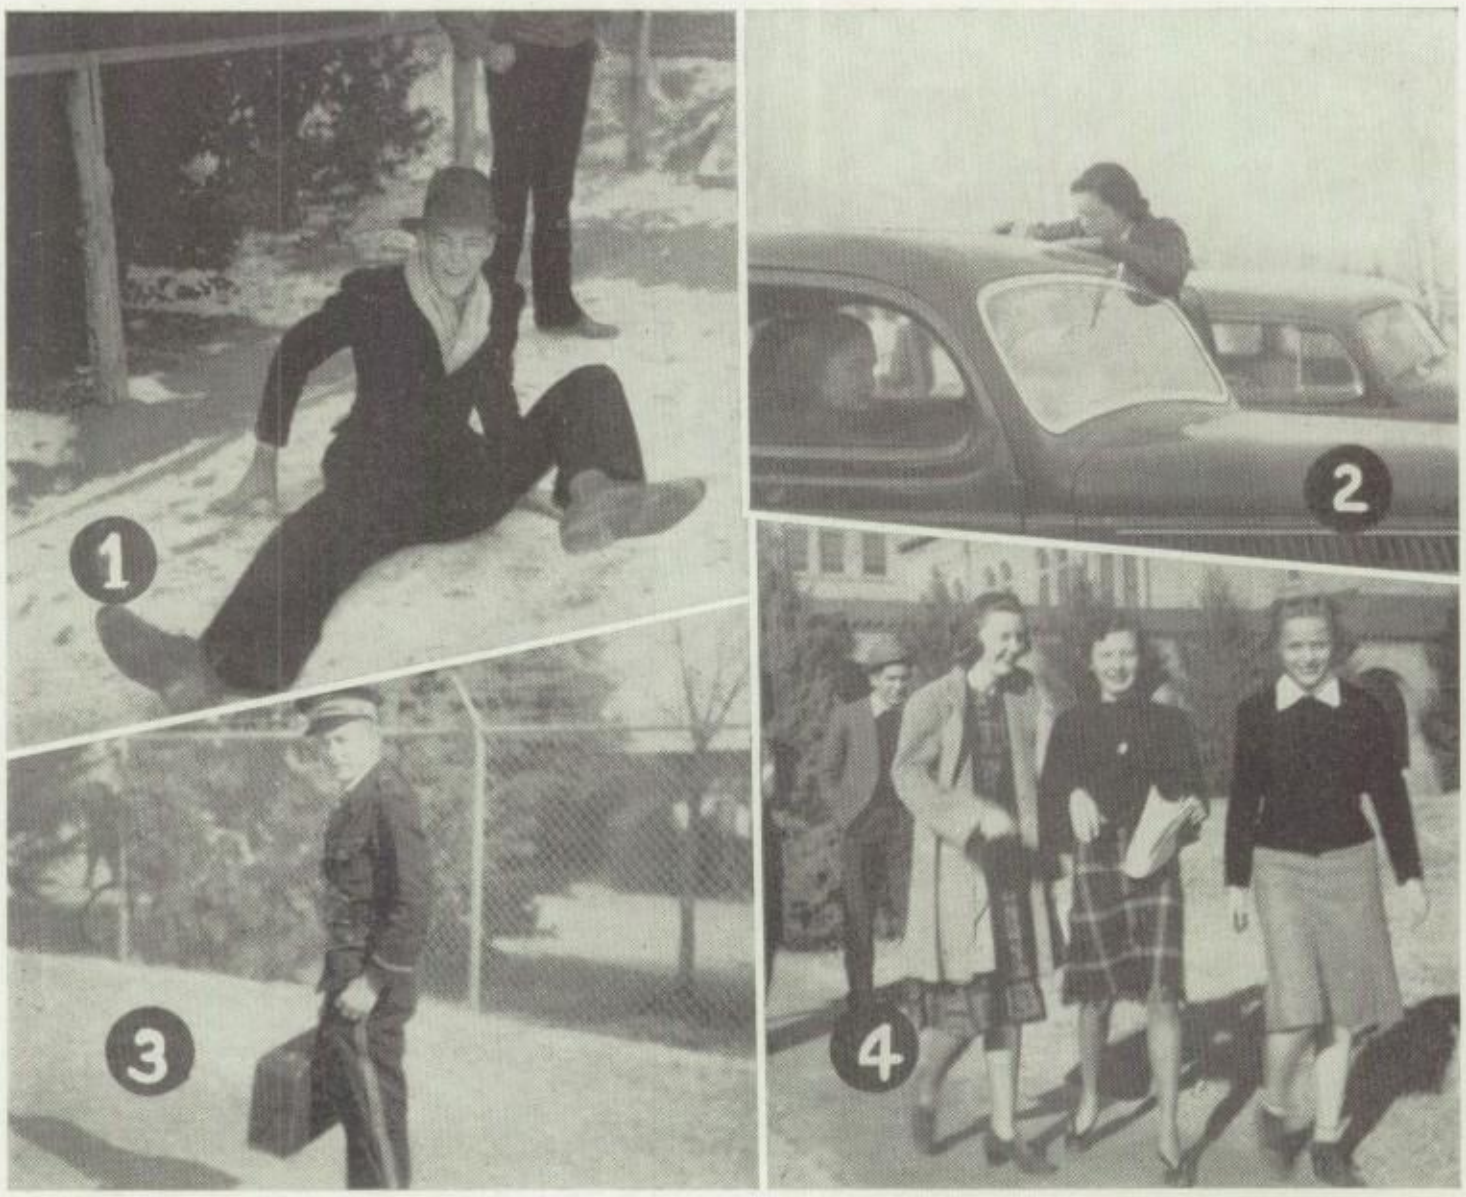
There's something about building pyramids that students enjoy. When the art is finally mastered classes are allowed to give demonstrations at football games and for various clubs. At top left the boys are posed in a complex pyramid while the girls show only one half of a still more complex pyramid. At the bottom the boys are are formed in a unit pyramid.

. . . . Miscellaneous Minutes



Aside from the reguiar classes in physical education there are two special classes which spend most of their time in posture development. The girls at right bottom on the picture above are doing some helpful exercises. At left is a health lecture class, given every other week. At right top girls are engaging in folk dances, as are the girls at the bottom of the page. All dances for the May fete were taught in these classes.

Above is a typical crowd which is assembled in the gymnasium each day at noon watching the activities which have been shown in this section.



1. Get up and try it again, Leon . . . 2. Dorothy, that's no place to get lessons . . . 3. Happy Hendrix leaving a football game . . . 4. Mary Ellis, Patricia, and Ophelia Mae heading for Logan's.

WHICH WILL IT BE ---- ?
THE CHALLENGE TO SUCCESS ----
OR ---- THE EXPLANATION OF FAILURE

IF . . A challenging word . . . one to either spur you forward or to later use with regret.

All worthwhile careers have been started and finished on the basis of "If I play the game . . . If I apply myself . . . If I use my talents . . . If I am not too impatient" and such similar decisions.

On the other hand how unfortunate regret can be when it's coupled with "If I just hadn't done this . . . or . . . If I just hadn't done that."

So we may predict for you that you will always use the "ifs" in your thinking as a background for achievement and not as an alibi for failure.

WATER HEATING

GAS provides an abundant, dependable supply of Hot Water whenever you want it—Day or Night! Low cost and nothing to tend.
